

February 15, 2013

To our Think Print & Graphics Ltd. clients;

It is with regret that I announce due to unforeseen circumstances we have ceased operations as of February 15, 2013. We will miss all the good clients we have developed and are grateful for your support over the past 24 years.

Print & Cheques Now Inc, located in Calgary has purchased our equipment, customer files, samples and art files. They can seamlessly transition to meet your cheque and print requirements.

Print Now has been printing high quality cheques and business forms for many years and I know they will do a good job for you.

Mr. Paul Cordingley at Print Now has been assigned as your Service Representative, I have known Paul for many years and he will provide excellent service and communication.

You can contact Paul at 403-269-2661 or paul@printnow.ca
